

Workshop #2

WEDNESDAY, JULY 1, 2009 AT THE RIVER CENTER, 570 W. AVENUE 26, 90065

This Implementation Plan is being developed during 2009 to comply with urban runoff management requirements established in the Metals TMDL for the Los Angeles River watershed. The goal of the 2nd workshop is to discuss Best Management Practices (BMPs) selection strategy, identifying preliminary BMP sites, and watershed collaboration.

2-HOUR WORKSHOP, 1:00 - 3:00 PM. PLEASE RSVP TO SETH.CARR@LACITY.ORG
